Prayer of unity

Dear Heavenly Father, we thank and praise You.

Lord, please forgive us. Sometimes, without understanding the truth, we speculate about others based on our own ideas; Sometimes, when we hear some words, we rush to judge, and even misunderstandings may hurt our brothers and sisters around us.

Ask the Holy Spirit to help us to have a humble and receptive heart, to know how to listen, to understand, and to speak honestly with love. When we disagree with others, please grant us wisdom and patience, so that pride, suspicion, bitterness, and anger do not control our hearts.

Lord, please especially protect Your church, so that we may stand firm in truth and support one another in love. Help us not to be divided over small misunderstandings, nor forget that we are all Your children because of personal preferences and positions.

Please quiet our restless and chaotic hearts, removing the anxiety, worry, and injustice within us. When we face conflict and difficulties, please help us to first quiet before You, seeking Your heart, rather than making decisions based solely on our own emotions.

May You make us messengers of peace, bringing harmony in families, building unity in the church, and living out Christ's love among people.

Lord, may our lives be Your witnesses, so that people may see Your grace and faithfulness in our words, attitudes, and actions.

Thank You for always leading us. May all glory and praise be to You.

We pray this way in the holy name of the Lord Jesus Christ
